The applicant's attention is drawn to the need to comply with all conditions imposed on this permission. ## Planning Decision Notes

### **Power to grant planning permission**

This permission is issued by Dorset Council as the local planning authority set out by the Town and Country Planning Act 1990 (as amended) and the Town and Country (Development Management Procedure) (England) Order 2015.

### **Removal of application site notice**

If you have not already done so I would be grateful if you could take down and dispose of this application's site notice if it is still being displayed outside the property.

### **How to comply with the conditions of your planning permission**

You should not start work until you have agreed with the Council the information requested by the conditions. If you fail to do this the works on site could be unauthorised and the Council may consider enforcement action.

The information must be submitted in writing. There is a standard form which you can download from the website [www.dorsetcouncil.gov.uk/planning](http://www.dorsetcouncil.gov.uk/planning). A fee is required each and every time you apply to discharge any or all of the conditions (£34 per request for householder applications, £116 per request for all other classes).

### **Appeals to the Secretary of State**

If you disagree with our decision or the attached conditions, then you can appeal to the Secretary of State (Planning Inspectorate) under section 78 (1) of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within **SIX MONTHS** of the date of this notice.

If this decision is on a planning application relating to the same or substantially the same land and development that is already subject to an **enforcement notice**, if you want to appeal against our decision on your application, then you must do so within 28 days of the date of this decision notice.

If an **enforcement notice** is served relating to the same or substantially the same land and development as in your application and you want to appeal against our decision, then you must do so within **28 days of the date of service of the enforcement notice**, or within **SIX MONTHS** of the date of the decision notice, whichever date expires first.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate ([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal. Further details are on GOV.UK.

An appeal must be made by the applicant. You must use a form that you can get from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or an appeal can be made on-line at this website [www.planningportal.gov.uk/pcs](http://www.planningportal.gov.uk/pcs)

The Planning Inspectorate can allow a longer period for giving notice of an appeal, but they will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Planning Inspectorate need not consider an appeal if it seems that we could not have granted planning permission for the proposed development or could not have granted it without the conditions imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

The Planning Inspectorate does not normally refuse to consider appeals solely because we based our decision on a direction given by them.

### **Purchase Notices / Compensation**

If either the Council or the Planning Inspectorate refuses permission to develop land or grants it subject to conditions, the owner, in exceptional circumstances, may claim that neither the land can be put to a reasonably beneficial use in its existing state, nor can the land be rendered capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

If this happens, the owner may serve a notice on the Council. This notice may require the Council to purchase their interest in the land or pay compensation in accordance with the provisions of the Town and Country Planning Act 1990 (as amended).

The circumstances in which such compensation is payable are set out in the provisions of the Town and Country Planning Act 1990

### **Street Naming and Numbering**

The Council is responsible for street naming and numbering within our district. This helps to effectively locate property for example, to deliver post or in the case of access by the emergency services. If this permission results in the creation, deletion or change to an address, you must let us know. You need to register the new or changed address by completing a form. You can find out more and download the form from our website [www.dorsetcouncil.gov.uk](http://www.dorsetcouncil.gov.uk)
